Brief Project Description:

Renovation of Fire Station 12 (Dimond) would include kitchen, living areas and EMS/FIRE data records area.

Funding Plan:**Total Cost of Project: \$750,000**Funding Secured*Amount FY*Other Pending Requests*Amount FY*Anticipated Future Need*Amount FY*

There is no other funding needed

Detailed Project Description and Justification:

This station houses the Fire 911, Dispatch, and Fire data servers and company, an engine company, a medic unit and Battalion Chief.

In 2007, voters approved placing an additional Engine in service at Station 12. In spring 2008, AFD will renovate Station 12 to accomodate additional sleeping quarters for the additional firefighters and increase the size of the apparatus bay. This funding would allow for the renovation of the day living areas and renovate the station office space. This station was formerly a water utility headquarters building.
